CKBW

The ACADIA BROADCASTING COMPANY Ltd.

BRIDGEWATER, NOVA SCOTIA

One Thousand Watts — One Thousand Kilocycles

January 12, 1960

Mr. Stan R. Morss
R-3 Bradford,
Massachusetts,
U. S. A.

Dear Sir:

We want to thank you for your reception report dated this past December 28, 1959.

We are very pleased to say that your report is correct and that we will verify it for you.

CKBW operates on an assigned frequency of 1000 kc/s. with a power output of 1,000 watts, both day and night. There are two towers, each 175' in height. Only one is used during the daytime when we are on our non-directional pattern, and at local sunset, the second one is brought into use. We protect WCFL, Chicago.

Enclosed you will find a QSL card, and looking forward to hearing from you sometime again, I remain,

DXingly yours and 73's,

Jim Ernst
